Reason: Low demand

Description: Due to the low demand for the TG-CJ family of ceramic heat sinks, t-Global have taken the decision to obsolete this range of products in favour of our existing XL25 range. The T1-0.25 in the part number denotes pre-applied 0.25mm TG-T1000 thermal tape.

Should you require more details or wish to discuss this please do not hesitate to contact us at sales@tglobaltechnology.com.

Start date: Effective immediately (17th August 2020)
