FDC - Field Device Connectors	ABN	Product Change Notification	Notify Distributors and Field	12/23/2020

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

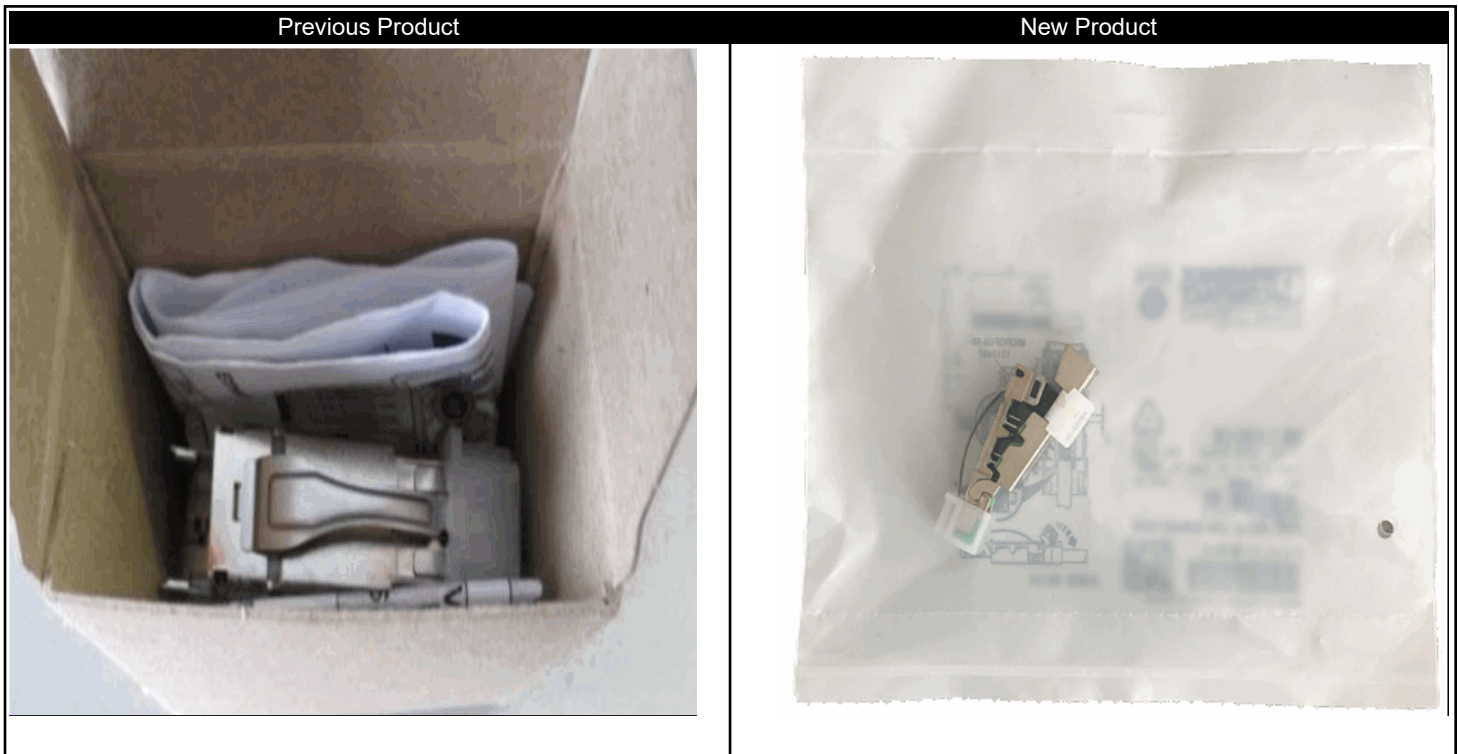

The packaging will be changed from a folding carton to a tubular bag. The relevant information will be printed directly on the bag to facilitate assembly in the field. This also includes a true-to-scale representation of the cable stripping dimensions. Moreover, a QR code will allow easy access to further product-relevant information with a direct link to the download area on the product website. Therefore, hardcopy installation instructions will no longer be included.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes
