

PRODUCT CHANGE / END-OF-LIFE NOTIFICATION

PCN Number : 20160229-ADW
Effective Date : February 29th 2016
Severity : Low

Products affected by this change:

Wi-Fi Hardware Solutions	
ADW001	Condor
ADW002	Osprey

Description of change

Production of the Zentri / ACKme branded Wi-Fi Hardware Solutions (Condor & Osprey) will be discontinued.

Reason for Change

The Condor and Osprey were one of the first products built to showcase the abilities of the AMW004. Now that Zentri has proven itself the limited run of these products will no longer be continued.

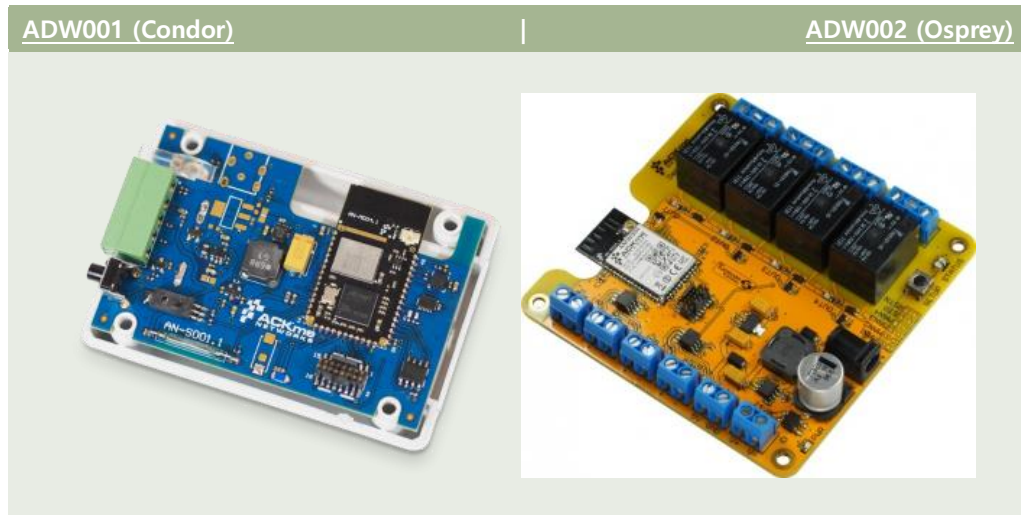

Impact (Form, Fit, Function, Quality and/or Reliability)

There is no action required by a customer.

Existing orders will be cancelled.

Functionality of these products will be releases as ZAP's in the future.
