Note: This is a change of display to electric wire only.
And this change does not affect the performances of the products.

3 Reason for change

It is because of the change of the electric wire supplier company name.

4 Date of change

Since the change of display to the electric wire is sequential from January 4th 2023 and we also have wires in our stock, our change is also sequential on or after January 4th 2023.

The date of change varies depending on the wire inventory status, our product purchase status, and our product assembly status.

If you should have any questions, please feel free to contact a Hirose business representative. Your understanding and cooperation are highly appreciated.
