

Product Discontinuation

PDN-ION-1601-2018

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
ION - I/O and Networks	DNC	Product Discontinuation	Notify Distributors and Field	5/14/2018

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

The following parts have been discontinued and will not be available once stock reaches 0. These modules are I/O expansion modules for a legacy wireless system which was discontinued 2 years ago. The inventory currently available is what is left, no additional inventory will be built.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes

Transaction Dates

Last Buy from Phoenix Contact:	12/31/2018
Last Scheduled Ship from Phoenix Contact:	12/31/2018

Should you have any issues with the timeline or content of this product discontinuation, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PDN within 30 days of delivery of the PDN; provided, however, that the failure to acknowledge receipt does not affect the product discontinuation or the effective date thereof.
