FI series Terminal Unit | Change in quantity per package

We truly appreciate your significant support always.

We are currently planning on the process change for the products planned to be delivered to your company.

For more information, please see the attached document.

1, Eligible products

CL	Part Number
230-0505-5 50	FI30-20S(50)
230-0507-0 50	FI40-20S(50)
230-0518-7 50	FI40B-20S(50)

2, Changes in the number of trays

(Current) Maximum 105 pcs per 1 tray

↓

(After change) Maximum 100 pcs per 1 tray

Due to this change, the number of pieces per box has been also changed from 1,050 pieces to 1,000 pieces.

3, Reason for the change

To be aligned with covers (25 pcs), 100 pcs per tray is a multiple of 25 pcs.

4, Timing of change

Effective from March 1, 2023 production onward.

Thank you for your understanding.

Sincerely,

HIROSE ELECTRIC CO., LTD.
