PRODUCT CHANGE NOTICE

PCN 2017-05
August 28, 2017

Product: **CFF – Flameproof Carbon Film Resistor**

Change: From: Conformal coating = blue color;

To: Conformal coating = green color.

Explanation: This change is made to rationalize the coating colors for this series. Other than the pigment there is no change to the coating material and no effect on the component performance.

Effective Date: As current inventory of blue coating is depleted.
