

C-1U48LCDM4

19-inch Rack Mount 1U Patch Panel with 48 LC Duplex, Multi-Mode OM4

Features

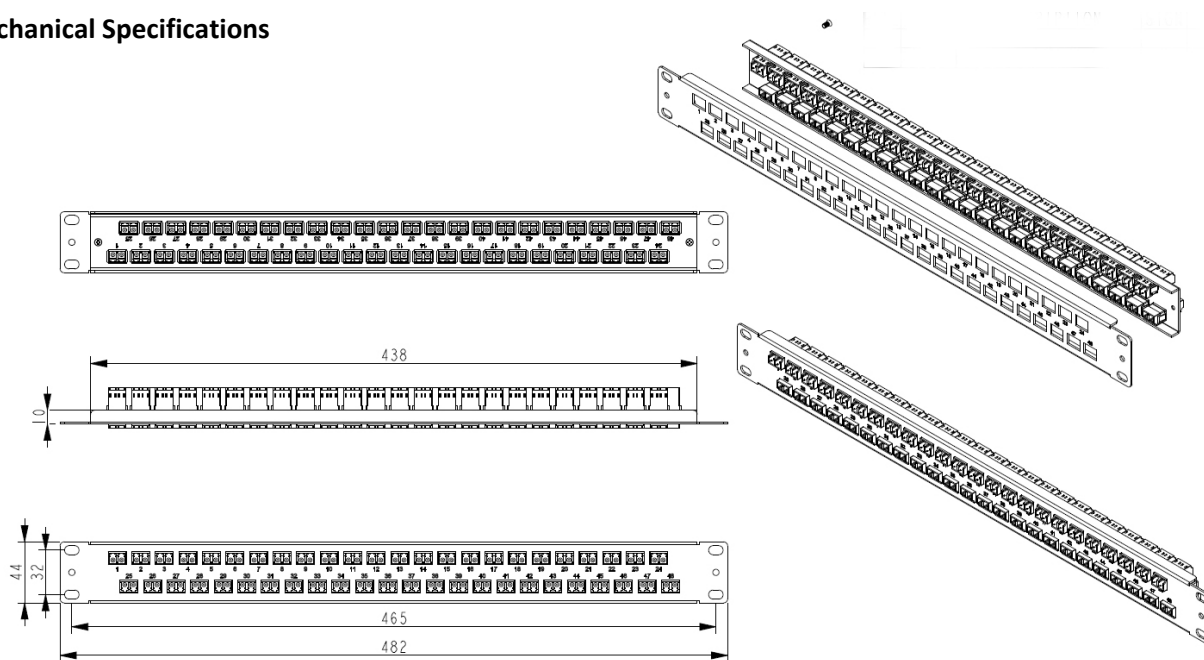

- OM4 Standard
- 1U 19" Rack Mount Chassis
- 48x LC Connectors

Product Description

This is an LC/LC fiber optic 19-inch 1U patch panel chassis with 48 LC Duplex In and 48 LC Duplex Out, multi-mode duplex OM4. It is a highly flexible fiber management unit that can be used stand-alone. Additionally, we also supply high-quality LC cassettes designed to reduce installation time and cost for optical network infrastructures in the premises environment. All of our products are 100% guaranteed to work, providing you a cost effective solution for all of your network upgrade needs.

Mechanical Specifications

Unit: mm

Material: SPCC, painted black color

About ProLabs

Our experience comes as standard; for over 15 years ProLabs has delivered optical connectivity solutions that give our customers freedom and choice through our ability to provide seamless interoperability. At the heart of our company is the ability to provide state-of-the-art optical transport and connectivity solutions that are compatible with over 90 optical switching and transport platforms.

Complete Portfolio of Network Solutions

ProLabs is focused on innovations in optical transport and connectivity. The combination of our knowledge of optics and networking equipment enables ProLabs to be your single source for optical transport and connectivity solutions from 100Mb to 400G while providing innovative solutions that increase network efficiency. We provide the optical connectivity expertise that is compatible with and enhances your switching and transport equipment.

Trusted Partner

Customer service is our number one value. ProLabs has invested in people, labs and manufacturing capacity to ensure that you get immediate answers to your questions and compatible product when needed. With Engineering and Manufacturing offices in the U.K. and U.S. augmented by field offices throughout the U.S., U.K. and Asia, ProLabs is able to be our customers best advocate 24 hours a day.
