*The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.*

#### Description for Product Change Notification

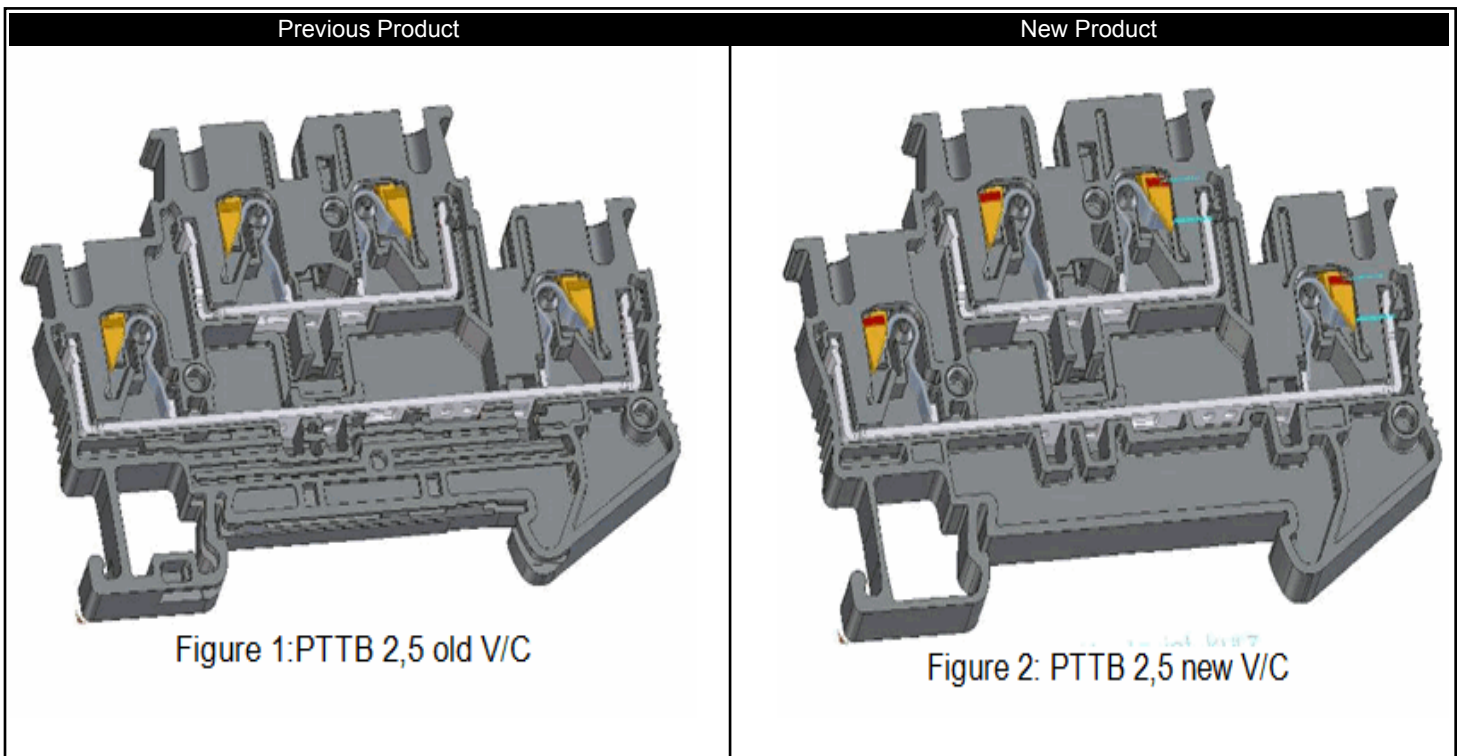

In consideration of a continuous improvement process of Push-in terminal blocks, there will be a product change which will affect the mentioned articles of the PTTB 2.5 series. The product change affects only the plastic housing of the non -PE versions, which has been slightly changed in the lower housing section. After the change, the housing will be supplied in a closed form. The change has no influence on handling, ergonomics, or the top view design. The old and new design are the same shape, and can be mixed. Existing accessories are still suitable.

#### Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes

#### Transaction Dates

Date modification goes into effect from Germany:	3/6/2018
Expected first shipment (from Phoenix Contact) of the modified products(s):	9/1/2018
