Subject: REVISED - Change in Life Cycle Status to Not For New Designs for Select Power Supply

Dear SL Power Customer,

As part of our continued focus towards providing our customers and partners the highest level of service, quality and technology, SL Power is designating select legacy products to a Not For New Designs (NFND) status effective immediately. Where applicable SL Power's next generation products offer a superior alternative in terms of technology and design.

The list of legacy numbers being designated as Not For New Designs (NFND) is attached as an appendix to this letter, with relevant SL Power alternative next generation product information.

For additional information please visit www.slpower.com or contact your local SL Power sales support representative.

Please be assured that SL Power is committed to doing everything possible to minimize impact to your organization. We thank you for your continued support and look forward to continuing our support to your organization.

Sincerely,

Shri Chandrasekharan
