Used together, these units allow ceiling-to-mount extension distances of almost any length using standard 1.5" n.p.t. plumbing pipe

Universal Camera Bracket

Can be assembled into several different configurations
Industry standard 1/4" - 20UNC threading

Product Specifications:

(for Architects & Engineers)

The ceiling mount kit for the flat panel shall be the Video Mount Products (VMP) model LCD-PV. The mount shall be constructed primarily of tubular steel and shall incorporate nylon filled nuts and arc welds. The mount shall be a universal style mount capable of mounting to all 10" - 37" monitors that incorporate VESA 75, 100, 100x200, or 200 standard hole patterns and not necessarily model be specific. The mount shall include one plate with VESA 75mm and 100mm and another plate with VESA 100x200mm and 200mm hole patterns. The mount shall include 2 mounting points for the included multi-configurable camera mounting bracket, and AK-1 (Adaptor Kit) and CP-1 (Ceiling Plate) to accommodate for longer drop distances from ceiling to mount. The load capacity shall be 75 lbs.
