IF - Interface Components	CK6	Product Discontinuation	Notify Distributors and Field	10/16/2020

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

The enclosed articles have been discontinued as part of our ongoing efforts to streamline our product portfolios and simplify stocking requirements. Where available, the closest alternate product is provided. Additional solutions are offered within the PLC and RIFLINE relay portfolios for parts without direct replacement options. Please contact our Technical Service team at 1-800-322-3225 or USTechnicalService@phoenixcontact.com for further assistance/alternative recommendations.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No
