DATE: April 2018	TYPE: Discontinuation – Streamline Product Offering

Multiple Automotive Relay – DISCONTINUATION

In an effort to streamline our product offering and focus on popular models of Omron’s line of Automotive Relays, OMRON will discontinue these additional Automotive Relay models at the end of July 2018. There are no suggested replacements for these relay series. Please carefully read through this notification; should you have any additional questions, please communicate with the Automotive Relay Product Manager.

NOTE: This notice is only applicable to the Americas / General use customers
