Re: Notice of Product Discontinuation

Cosel has announced the following models are going to be discontinued.

1. Last Date of Order Processing

Orders will be accepted through Nov 20, 2023.

2. Discontinued Models

Table 2.1 shows the models to be discontinued. The discontinued models also include the parts with options and modifications. Recommended replacement models are shown below.

Table 2.1 Discontinued Models and Recommended Replacement Models

Series	Discontinued Models	Recommended Replacement Models *1
DBS series	DBS200B	DHS250B
	DBS400B	No alternative products
SNDBS series	SNDBS400B	No alternative products

*1 For more details, please refer to the other sheets "Recommended Models for Replacement".

3. Reason for Discontinuation

The demand for the above series has dropped and many components mounted in these products are no longer in production, which makes it difficult for Cosel to keep producing them.
