

## Z-Wave 400 Series module and SoC EOL Notice

January 2014

Dear Customer

With the 500series in full production, Sigma Designs will discontinue the 400series modules and SoCs. There are 500series pin compatible replacement parts available for all 400series parts. When replacing a 400series part with a 500series part, software will need to be ported to SDK6.5x and small hardware designs changes may be needed, for optimum performance. See tables below for a list of affected part numbers and replacement parts.

**Last time buy July 30<sup>th</sup> 2014**

All the items listed in the table below will as of July 30<sup>th</sup> 2014 no longer be available to order, all orders received prior to this date, will be delivered.

**This notice covers only the 400series. The 300series remains in full production.**

If you require further information contact your local sales representative.
