January 31, 2014

PDN 148714: Product Discontinuance Notice – of the DS3101GN+, DS3105LN, DS3106LN

Discontinuance Notice

Description of Change:

Microsemi is announcing the discontinuance of the following products:

DS3101GN+
DS3105LN
DS3106LN

Reason for Discontinuance:

The decision to discontinue these products was driven by diminished demand and low forecast volumes.

Customer Impact:

These devices are being removed from Microsemi's product offering and will no longer be available for order after **August 1, 2014**. There is a limited inventory of these parts, so orders will be taken on a first-come, first-served basis. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

Product may be limited in availability. Orders will be supported on a first-come-first-serve basis. Orders for these products will be noncancelable and nonreturnable.

Replacement Parts:

DS3105LN+
DS3106LN+
There is no replacement for the DS3101GN+

Last Order Date: August 1, 2014

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than **August 1, 2014**. No new orders will be accepted after this date.

Template: ICG-F-0004 rev 2

Discontinuance Notice

Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: January 31, 2015

Please note that Microsemi will continue to ship last-time-buy orders as requested only through **January 31, 2015**. Product orders must be scheduled to ship no later than this date.

Products Affected by this Discontinuance:

DS3101GN+
DS3105LN
DS3106LN
