Sales ALERT Bulletin

End of Life (EOL) Notification VS Product Series

To: Emerson Network Power KA&D Sales Channel
From: Chris Jones
Subject: EOL Notification – VS Series
Date: 20 July 2011

With the release of the price book at the end of 2009, the announcement was made that the Emerson VS product family would not be recommended for new designs. At the end of 2010 the announcement of End of Life was officially released. A last time buy deadline was set at Sept 30, 2011 with last time shipments to be Dec. 31, 2011.

The intent was to have all customers convert existing designs over to iVS products by these deadlines, but due to expanding lead-times caused by part shortages, we have extended the deadlines as follows:

LAST TIME BUY	12/31/2011
LAST SHIPMENT	6/30/2012

Models Affected

VS SERIES	RECOMMENDED REPLACEMENT
VS1	iVS1 or iMP1
VS3	iVS3
VS4	iVS3
VS6	iVS6
VS8	iVS8
VS9	iVS8

This notification supersedes the July 2011 price book release announcement for the VS Series EOL.

We apologize for any inconvenience this update may cause. Please feel free to contact me directly if you have any questions or concerns.
