The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

As part of our continuous improvement process, we have altered the latching peg design on some of the dual-latching plastic covers. None of the technical properties or retention specs have been affected.

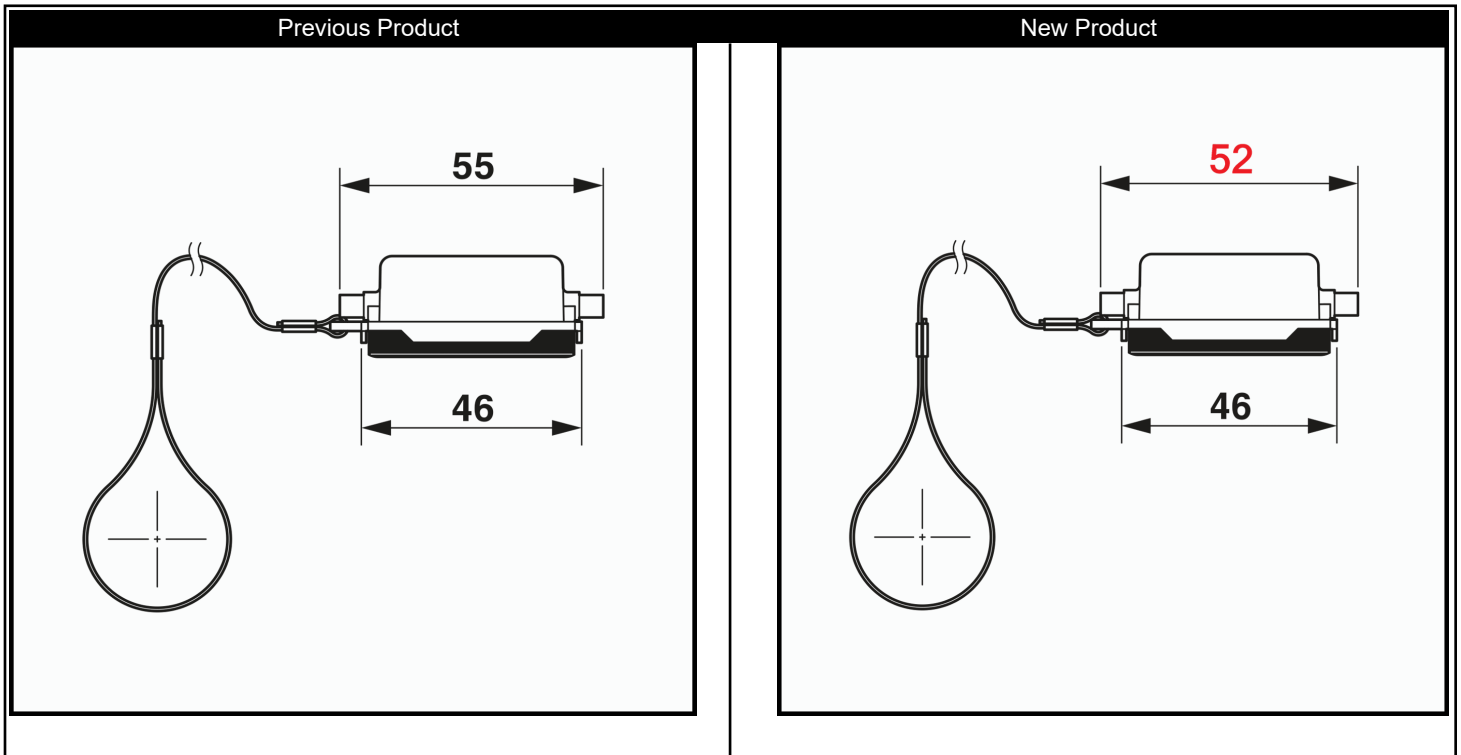

Please also note that while these parts are optimized for the short-term, they will be discontinued February 2023 and replaced by the part numbers listed. For full details on our new line of protective covers, see PDN-IFC-7989-2022.
