Asahi Kasei Microdevices Corporation

Establishment of AKM's Narita Warehouse (Contracted)

Regarding the titled matter, we inform you that we establish Narita warehouse and start operation in February 2019 in addition to our current warehouses in Nobeoka and Taiwan.

Accordingly, we will change our storage and shipment of the products currently stored in Taiwan warehouse to Narita warehouse. This is to control the cost increase to affect the warehouse expense with the change of the tax practice environment both in Japan and Taiwan.

Please be noted Taiwan warehouse is kept for flexible stock control. As the specification of the products themselves do not change, please allow us only to notify the customers.
