

## Product Change Notice: ERA-xV, ERA-xK Series Resistors Specification Upgrade Change

PCN.PG11.12.20.2020

12.20.2020

<b>About This Notice:</b>	When Panasonic released the ERA-xV and ERA-xK Series Resistors, the same specifications were used as the ERA-A Series Resistors. Over the year, Panasonic received requests from customers for Thin Film Resistors Series with higher power ratings and better voltage handling. As a result of these requirements, Panasonic tested the ERA-xV, ERA-xK Series and found these parts have better performance than the original published specifications. Panasonic is updating the datasheets and specifications to reflect these higher values.
<b>Effective Date:</b>	December 2020
