

LEDiL

PRODUCT CHANGE NOTIFICATION

Date: March 10, 2023
PCN: PCN LEDIL 191

Subject: PCN 191 - Additional PC material approved

Description: As part of our continuous research and improvement processes, and to ensure the best possible quality and availability of our products, LEDiL has approved an additional PC grade to be used in our non-optical products.

This new material have gone through comprehensive mechanical and environmental tests to ensure full compliance with our products.

The new material **Bayblend T85 XF** will be used alongside our previously approved PC/ABS-MAC-601 grades.

Time line: This change is valid immediately.

Changes: LEDiL has approved an additional PC grade to be used in our products.
