1/4'' (6.35mm) DIY Mono Plug

PRODUCT ID: 1802

Description

Repair or design your very own audio cables with these nice and durable phono-plug connectors. This is a great plug to make your own cable with. It's made out of durable metal with a flexible, sturdy spring for strain-relief. Just solder the connector to some wires and you have a DIY audio cable that can rival the best!

This item is a **1/4" Mono Plug.** It's a pretty common size for pro-audio or monitors/headphones, and is super useful for more heavy duty connections. This plug is the mono version. We also carry a 1/4" (6.35mm) DIY Stereo Plug.
