--	--	------------

**Business Unit:** HARTING Customized Solutions **PCN/19/020/C+N - US**

**Product range:** Ethernet Cabling Date: 2019-10-31

**Title:** EtherRail Cable Jacket Change Page 1/2

## Details of the Product Changes

### 1. Affected Part Numbers

Please refer to the appendix section for a full list of affected part numbers. Please note that this change also affects various cable assemblies, therefore, do not hesitate to contact HARTING customer support for more details regarding affected cable assemblies.

### 2. Description of the Change

HARTING has implemented a modification of the cable jacket compound material of EtherRail category 5 and category 7 Ethernet cables. The cable jacket compound has been changed from **compound 603** to **compound 752**.

### 3. Impact on the Product Specification

This change does not have any impact on fit, form or function of this product line, and is an improvement of the existing product line.

### 4. Scheduled Date of Implementation

Last-time order for cables containing the old compound 603 need to be placed by **December 31<sup>st</sup> 2019**.

Last delivery date for cables containing old compound 603 will be fulfilled by **July 31<sup>st</sup> 2020**.

## 5. Identification of Change

- Printing modification on the cable
- New revision level for each part number

In case of questions or concerns, please do not hesitate to contact our technical support.
