

Dear Valued Customer:

This letter is to inform you that we are discontinuing the product(s) described below. Please review this letter to ensure that your products and/or processes will not be affected by the termination of this item and email your acceptance and/or need for any additional documentation for the obsolete product(s). Please respond with your acknowledgement to our Customer Service Team at [orders@inspiredled.com](mailto:orders@inspiredled.com). Thank you for your help and support.

**Inspired LED Part Number(s):** 24V-MB100-WW-12M

**Reason:** In an effort to provide the best quality products, Inspired LED has upgraded their 24V product line. All new 24V Flexible LED Strips are manufactured on an 8mm flex and will now use 4oz of copper for added heat sink. The items above have a direct replacement product.

**Inspired LED New Part Number(s):** 24V-MB100-3000K-39FT
