

CnC Tech

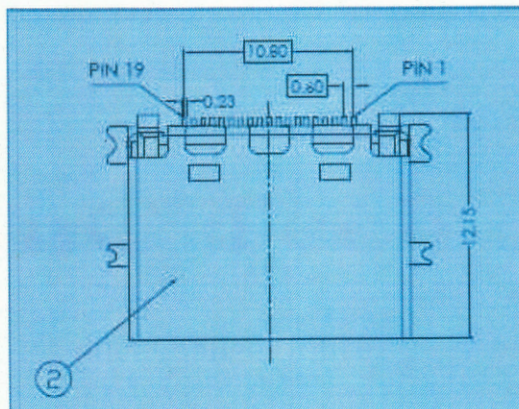

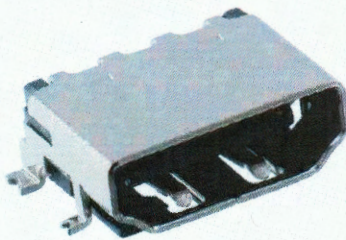

Industrial Cable and Connector Technology

Product Change Notice

There was a design change on our 2000-1-2-41-00-BK in May of 2017.

There was a need to strengthen the pins and in doing this the upper shell designed also changed.

The change is shown below:

The corrected drawing will be uploaded to the CnC Tech website on 3/23/2018. A 3D file reflecting this change is also available.
