Subject: Cancellation of PCN202101001 on the change of wire lead length on ERP LED drivers

Dear Valued Customer,

ERP released a product change notification **PCN202101001** on January 25, 2021 concerning a planned change of **wire length** for the majority of ERP's LED driver portfolio. In response to customer feedback regarding the proposed wire length change, **ERP has determined that it will not be implementing this change, and has cancelled the PCN.**

For questions or concerns regarding this notification, please contact the appropriate ERP sales representative, customer service representative, or distributor.

Sincerely,

A handwritten signature in black ink, appearing to read "Marc McAndrew". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.
