**1. Purpose:**

The purpose of this notice is to announce that the “C” series of power rockers is being discontinued.

**2. Reason for discontinuation:**

We are closing down the Costa Rica manufacturing site where the “C” series rockers are currently made and moving all lines to our China facility in Huizhou, China. The costs associated with moving the tools, fixtures, and end of line testers are not justified based on sales.

**4. Replacement:**

There is no direct replacement for the "C" series but we do offer several similar style of snap-in power rockers. CA series being most similar in appearance, same electrical specs and circuit options but has a slightly smaller panel cut-out. See PDF for details.

**5. Support:**

Please contact Customer Service or your local sales representative.

**Sincerely,**
