IFC - Industrial Field Connectivity	BF7	Product Change Notification	Notify Distributors and Field	8/29/2022

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

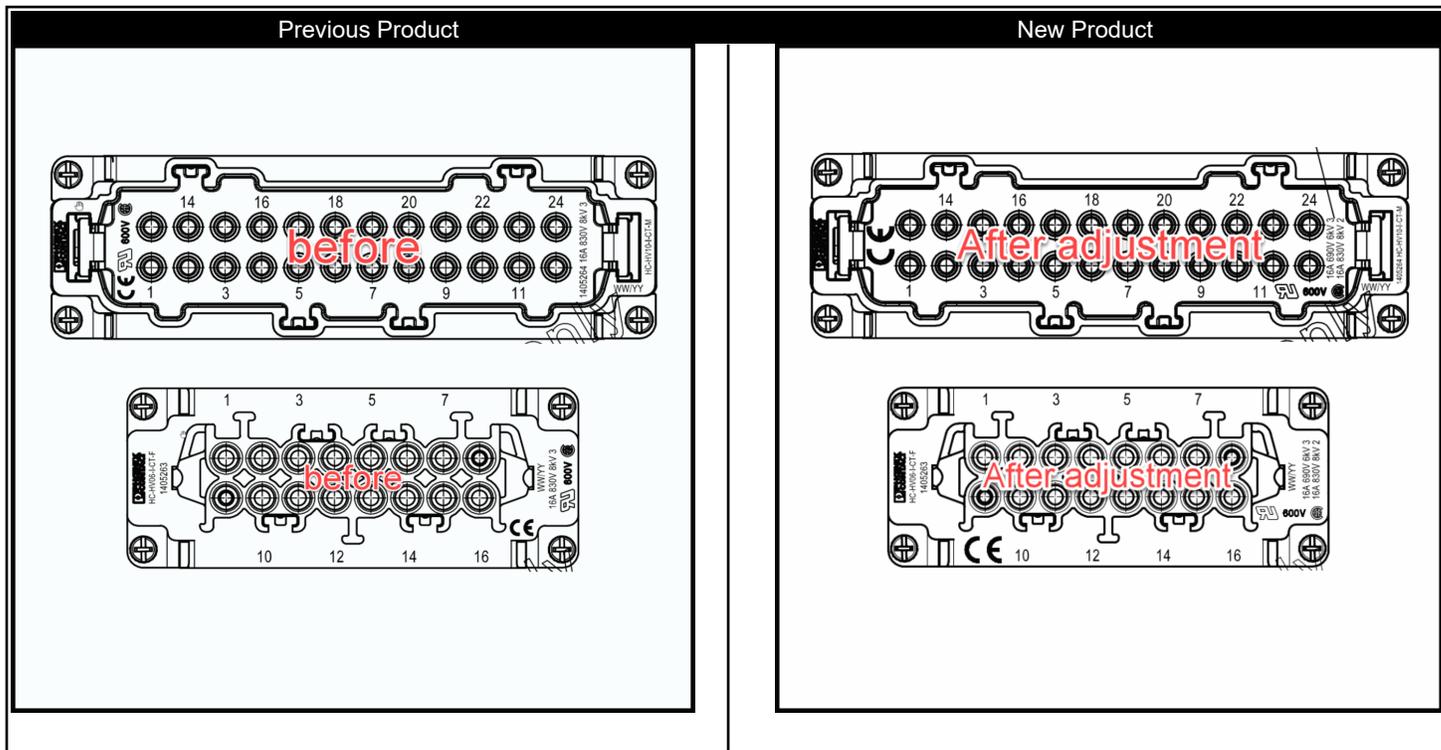

In order to make it easier to identify the differentiation between voltage ratings for different pollution degrees, the documentation and product markings have been revised to include the voltages for multiple pollution degrees. This will help clarify the actual voltage rating for different environments.
