

PRODUCT CHANGE NOTIFICATION

OPTEK Technology

1645 Wallace Drive
Carrollton, TX 75006 USA

Phone: 972-323-2200
Facsimile: 972-323-2396
Email: sensors @optekinc.com
Website: www.optekinc.com

Notification Date: April 8, 2013

Product Change Notification Number: 1009

Affected Part Numbers: OPR5200, OPR5500

Description of Change: The waffle pack used for shipping the product will change the material and the pocket size will decrease so as to prevent excessive movement of the part during shipping. As a result of the pocket size change, the maximum number of parts per waffle pack will change from 150 to 289.

Change Identification: Product date code 1324 and later.

Reason for Change: The smaller pocket will prevent the product from rotating out of the intended position during transit. The new waffle pack is being used for other products and is constructed with a different material than the presently used waffle pack.

Expected Effect on Quality and Performance: The quality and performance of the products are not affected by this change.

Implementation of Change: June 10, 2013

Cessation of Present Form, Fit, or Function: Not applicable since this is a change to packaging only.

Assessment: This change does not require a new qualification report for the products nor does it require sampling for customer evaluation.

Product Change Notification Authorization:

A handwritten signature in blue ink, appearing to read 'MK' with a large flourish at the end.

Mike King
Global Director of Engineering
Optoelectronics Business Unit
