

Announcement

25 April 2022

Specification change: LF series LED illumination units

IDEC would like to inform you of a specification change regarding our LF series LED illumination units. Details are as follows:

1. Subject models

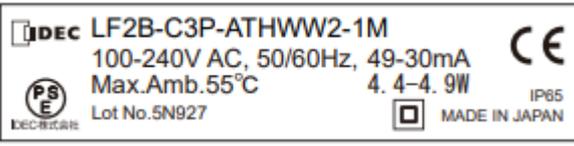

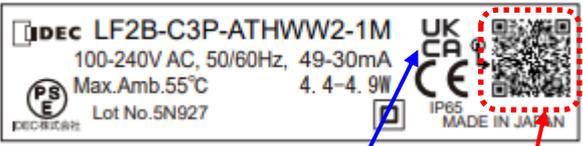

LF2B, LF1D, and LF1B-N LED illumination units: All products (incl. special products)

2. Modification details

QR code will be added on the product labels. Accordingly, the printed instruction sheets will no longer be shipped with the products. Please refer to the instruction sheets on our homepage or by scanning the QR code.

At the same time, UKCA mark will be added to the product labels and packaging labels. Regarding UKCA mark, please refer to Announcement No. 21-SM010-B for details.

- Product labels

Current	New
	 <p style="text-align: right; margin-right: 50px;">UKCA mark</p> <p style="text-align: right;">QR code</p>

- Packaging labels

Current	New
	 <p style="text-align: right; margin-right: 50px;">UKCA mark</p>

Note: There is no other specification change.

Announcement
