Outer box label format Change Notification

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.

This is the official notification that some of our products' label change will be proceeded as detailed below.

Please review this, and confirm that you will expect to receive products after this label change.

Your understanding and support are highly appreciated.

1. Product Type, Changes, Applicable Accounts:

Product Type: Outer box label that is attached as Murata standard.

But current your requested label isn't changed, we continue to attach it.

Changes: We are going to change 2 points as below.

Before Change	After Change
"(1) Label size 100*100mm (2) There are bar codes"	"(1) Label size 50*100mm (2) There are not bar codes"

Please refer to the attached documents of "[Label-2] Reference Doc_Eng" for detail.

Applicable Accounts: Please refer to the attached sheet of "Applicable Accounts".

2. Reasons/Background:

(1) To contribute to SDGs by saving environmentally resources.

(2) To reduce logistics quality risk about label broken and printing failure.

3. Products Before and After the Change:

There are no changes of the products' quality, guaranteed specifications, and others,
as Murata continuously uses the same quality control system.

4. Change Schedule:

(1) Shipping start by new text format label: After April. 01, 2021

(2) Shipping start by new label (delete bar codes): After October. 01, 2021

If you use bar codes, we will continue to attach bar codes.

So in this case, please contact Murata Sales by September. 30, 2020. If you don't respond,
we assume that you have accepted this changing (2) included to delete bar codes.

5. Contact Window:

Should you have any questions or concerns,
please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
