

PRODUCT NOTICE

PRODUCT PHASE OUTS DURING 2021

March 2021

3M is phasing out select ready pack 3M™ Adflo™ Powered Air Purifying Respirator (PAPR) kits and Speedglas™ helmet assemblies.

Our suggested replacement option is a complete kit/assembly with a newer Auto-Darkening Filter (ADF) such as 9100 XXI, G5-01TW, and G5-01VC or a kit/assembly without an ADF and to purchase the preferred ADF as a separate SKU.

Products being phased out will no longer be available for purchase as of May 31st, 2021.
