**Originator:** Thomas Oberschelp/BEE/Technik/EE/de/ERNI , +49 7166 50-,

**Reason and description of change:**

Valued customer,

As part of the optimization of our portfolio throughout the lifecycle, we have decided to discontinue the parts stated hereafter from 30.9.2022 onwards.

The KSG parts will be set to obsolete after the last serial production. A last purchase option (LTB) is available until 30.03.2023. Please place your order to cover all your needs until 30.03.2023.

Last shipment will be 30.09.2023. All of the placed orders until the last time buy date 30.03.2023 will be assessed against feasibility and last time shipment will be intended until 30.09.2023. TE reserves the right to offer alternative shipment volumes after 30.03.2023.

Some of the KSG parts will be set to obsolete immediately as the manufacturing equipment has reached end of life. In the table below these part numbers are described with "End of life". Already placed orders will be assessed against feasibility and will be mostly delivered. Any further orders cannot be accepted as we cannot ensure the expected and required quality any more.

The ERNI / TE Connectivity Sales Team will handle questions on any additional information or clarification that may be needed.
