1. Purpose

C&K components, as design and manufacturing company for micro-miniature tact switches, is constantly looking to improve the manufacturing means and processes in order to continue serving its customers with the highest performance level

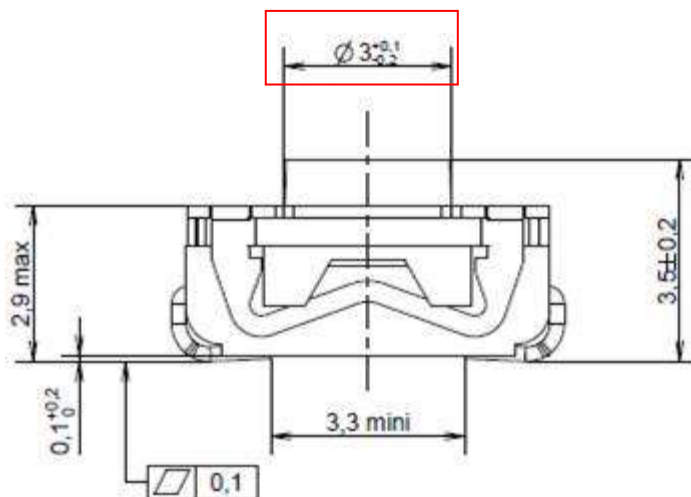

As part of this continuous improvement policy, we are presently correcting one dimension on our KSC2 drawings, on the actuator diameter

2. Overview

Before:

After:

3. Impact of Change and Qualification

3.1 Impact of Change

There is no impact as we are correcting a drawing mistake. Product has always been at the dimension of 3.0 mm

3.2 Qualification

There is no qualification needed as we are correcting a drawing mistake. Product has always been at the dimension of 3.0 mm

4. Part numbers affected

See liste on page 6/6

5. Date of application

Immediate – This PCN is for information only

6. Conditions of application

N/A

7. Support

For any question, please contact your C&K sales representative.
