MI - Marking and Installation	BG1	Product Discontinuation	Notify Distributors and Field	7/27/2017

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

#### Description for Product Discontinuation

The current mostly metal magazines for the Thermomark Card printer will be discontinued in favor of the wider magazines that are used in the Thermomark Prime printer. These new magazines have more rubber and better stability to ensure a more quality print of the UCT cards. This is a gradual discontinuation meaning as the old stock runs out, the new magazines will replace them.

#### Stock Status
