

Product Withdrawal Notice

Thank you very much for your great and continued support for business with Murata. This is an official notification that some of our products will be discontinued and replaced by new products as details described below.

1. Product Type, Customer/Murata/Alternative Part Numbers:

- Product Type: *Passive starter kit* in collaboration with NORDIC semiconductor
- Part Number and Alternative Part Number

Murata Part Number	Alternative Part Number
EKSM-PND51X22A-KIT	EKSM-PND51X22B-KIT
EKSM-PND52X32A-KIT	EKSM-PND52X32B-KIT

Please see refer to the attached parts list to find the difference between the current sample kit and the alternative ones.

2. The Date of Change

The shipment of the new product started from **April 1st**.

All the sample kits shipped since then is EKSM***B**-Kit instead of EKSM*A-Kit.

2. Reasons/Background

Several ceramic capacitors in the sample kits is under withdrawal and it will be difficult for us to keep supplying the same set of the parts.

Thus, we made new samples kits with only sustainable parts included.

4. Contact Window

If you have any questions or concerns, please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
