

## Global Change Notification (GCN)

Product Family	QSFP	10672143
		GCN Number
Series	Multiple	April 07, 2015
		Date Issued
Reason For Change	New, Modified, Or Replacement Tooling	
Change Description	<p>This is to inform you that Molex is taking a proactive measure to change QSFP top backshell by adding an additional feature for smooth module extraction for larger diversity of cages available in the industry today. This design improvement will allow more variation in the mating cage while still remaining in the SFF guidelines. This will impact all QSFP top backshell tooling and includes all AWG's, but will not impact form, fit, or function. The design update will be changed on current tooling and rolled into all QSFP production. This is a running change and sample availability will be 4/15/2015 . Backshell PN's impacted are: 747560124, 747560126, 747560128, 747560130, 747560100, 747560101, 747560102, 747560103</p>	

Part Numbers Affected	Please refer to CustomerPartList.csv attached to e-mail message.
Reason For Short Notice Exception	Special Request
Assessment Of Change (How Product Will Be Qualified & Validated)	First article inspection
Internal Molex Qualification Date (Planned Date Information Available)	March 02, 2015
Sample Availability Date (Changed Part)	February 27, 2015
Date of Implementation	May 11, 2015
Method of Identifying Change	Tracking by Serial Number/Date Codes
Recommended Replacement Parts	N/A
Last Time Buy Date for Obsolete Parts	

Last Time Ship Date for Obsolete Parts
