Product Obsolescence Notice

Dear Valued Customer,

We regret to inform you that, due to low annual volume production, Excelitas Technologies can no longer support the production of the Excelitas PID lamp product line, including the part numbers below:

PN	Description
210-17100	FK-1710 PID LAMP
210-7370	FA-737U PID LAMP
210-6000	FK-600U PID LAMP
210-7910	FK-791U PID LAMP
210-7940	FK-794U PID LAMP

Excelitas will be accepting last time buys through the January 31st, 2022 under a best effort basis. In some cases, materials are not available or difficult to obtain and we may not be able to support a last time buy. Please contact us should you need these product/s and we can generate a quote based on your volume requirements.

If there are any questions feel free to contact your sales contact or myself.

Best Regards,
