

# TE Connectivity

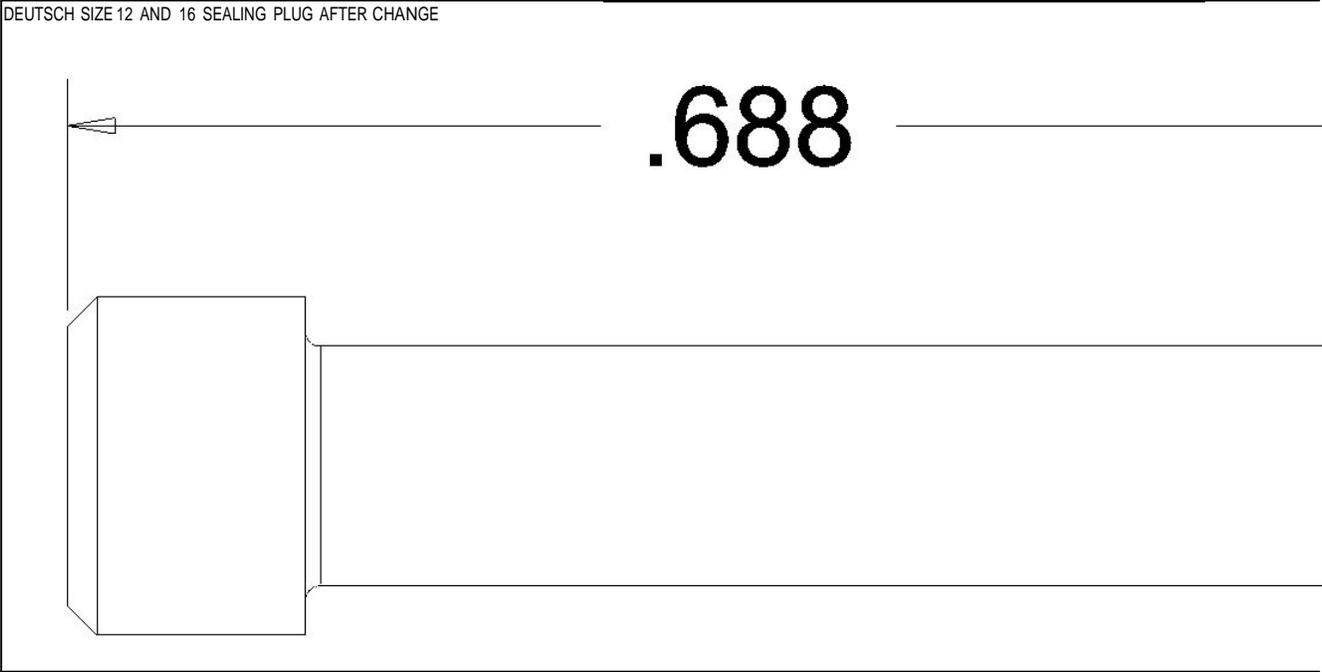

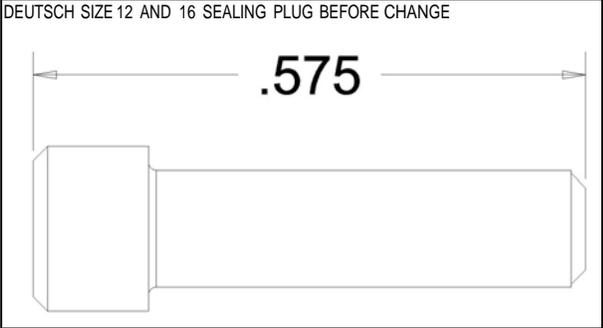

Product Change Notification: E-18-004623

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:  
DEUTSCH Size 12 and 16 Sealing Plug.

Description of Changes

Increase the overall length of the sealing plug from .575 to .688

Reason for Changes:  
Product Improvement. Dear Customer, in an effort to continuously improve our products, TE will be changing the overall length of the Size 12 and 16 sealing plug in order to improve robustness in connectors with rear accessories such as end caps or wire routers. This product improvement will not impact other areas of sealing plug performance. Shipments of both configurations may be mixed. IMPORTANT: This is a continual improvement so the current and previous revisions of this part can be used interchangeably in the field. This change is being phased in gradually and previous revision can remain stocked until used.

Estimated Dates:	
Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	13-JUL-2018
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	31-DEC-2023
