Product Change Notification: PCN-22-146336

PCN Date: 19-JUL-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

PPI Relays, KU series

Description of Changes

Dear Valued Customers, You are being notified that TE Connectivity is moving away from ink stamp and implementing laser marking on the subjected relay family. Please note that this change will be effective from 15th August 2022 and going forward you will receive laser marked relays which will not impact form, fit or function of the relays. A detailed list of product family, part description and TE part numbers are listed below along with an example of the change. Please make sure you notify about this change to the relevant stakeholders in your organization. If you have any questions or concerns, please contact your local TE Connectivity Customer Care team or below Product Managers for additional information.
