**Subject:** Addition of ASE as an Assembly Site for the MAAM-011109

**PCN #:** PCN-01014

Dear Valued Customer:

M/A-COM Technology Solutions has a goal of providing redundant manufacturing capability for increased surge capacity as well as an uninterrupted supply chain. In alignment with this goal, we are pleased to announce an additional manufacturing site for the MAAM-011109.

In addition to our current manufacturing sites, we will also begin manufacturing at Advanced Semiconductor Engineering, Inc., (ASE) in Penang, Malaysia. ASE has been a valued, high-quality manufacturing partner for other MACOM products.

In accordance with M/A-COM Technology Solutions' customer notification policy, you are receiving this notice because you have purchased one or more of the following products in the previous two years.

**MAAM-011109**  
**MAAM-011109-TR1000**

All specifications and standards remain unchanged. This change will not affect form, fit, function or reliability. Products assembled at ASE will begin shipping in the June 2017 timeframe.

Sincerely,

**Laura Leite**  
Product Manager
