|-------------------------------------|---------------------------------------|
| Teilenummer                         | TB0720H-13-F                          |
| Hersteller                          | Diodes Incorporated                   |
| Beschreibung                        | TSPD BIDIRECT 100A 65V SMB            |
| Kategorie                           | Schaltkreisschutz > TVS - Thyristoren |
| Teilstatus                          | 6000 pcs Stock                        |
| Serie                               | -                                     |
| Befestigungsart                     | Surface Mount                         |
| Kapazität                           | 200pF                                 |
| Verpackung / Gehäuse                | DO-214AA, SMB                         |
| Strom - Spitzenimpuls (10 / 1000µs) | 100A                                  |
| Spannung - Kipp                     | 88V                                   |
| Spannung - Aus-Zustand              | 65V                                   |
| Strom - Spitzenimpuls (8 / 20µs)    | 400A                                  |
| Strom - Haltestrom (Ih)             | 150mA                                 |
| Anzahl der Elemente                 | 1                                     |
| Spannung - EIN-Zustand              | 3.5V                                  |
| Verpackung                          | Tape & Reel (TR)                      |
