### Spezifikationen

|                         |  |
|-------------------------|--|
| Teilenummer             | AT45DB161D-MU                              |
| Hersteller              | Adesto Technologies                        |
| Beschreibung            | IC FLASH 16MBIT 66MHZ 8VDFN                |
| Kategorie               | Integrierte Schaltungen (ICs) > Erinnerung |
| Teilstatus              | 1313 pcs Stock                             |
| Serie                   | -  |
| Betriebstemperatur      | -40°C ~ 85°C (TC)                          |
| Schnittstelle           | SPI, RapidS                                |
| Verpackung / Gehäuse    | 8-VDFN Exposed Pad                         |
| Supplier Device-Gehäuse | 8-VDFN (6x5)                               |
| Spannungsversorgung     | 2.7 V ~ 3.6 V                              |
| Speichertyp             | Non-Volatile                               |
| Geschwindigkeit         | 66MHz                                      |
| Speichergröße           | 16Mb (528 Bytes x 4096 pages)              |
| Speicherformat          | FLASH                                      |
| Verpackung              | Tray                                       |
