|-------------------------------------|---------------------------------------|
| Teilenummer                         | P0640Q12ALRP                          |
| Hersteller                          | Hamlin / Littelfuse                   |
| Beschreibung                        | SIDACTOR BI 77V 150A QFN SMD          |
| Kategorie                           | Schaltkreisschutz > TVS - Thyristoren |
| Teilstatus                          | 4400 pcs Stock                        |
| Serie                               | SIDACTor®                             |
| Befestigungsart                     | Surface Mount                         |
| Kapazität                           | 60pF                                  |
| Verpackung / Gehäuse                | 2-TDFN                                |
| Strom - Spitzenimpuls (10 / 1000µs) | 45A                                   |
| Spannung - Kipp                     | 77V                                   |
| Spannung - Aus-Zustand              | 58V                                   |
| Strom - Spitzenimpuls (8 / 20µs)    | 150A                                  |
| Strom - Haltestrom (Ih)             | 150mA                                 |
| Anzahl der Elemente                 | 1                                     |
| Spannung - EIN-Zustand              | 5V                                    |
| Verpackung                          | Tape & Reel (TR)                      |
