### Spezifikationen

|                              |                                       |
|------------------------------|---------------------------------------|
| Teilenummer                  | LD29080S33R                           |
| Hersteller                   | STMicroelectronics                    |
| Beschreibung                 | IC REG LDO 3.3V 0.8A SOT223           |
| Kategorie                    | Integrierte Schaltungen (ICs) > PMIC- |
| Teilstatus                   | 1033 pcs Stock                        |
| Serie                        | -                                     |
| Betriebstemperatur           | -40°C ~ 125°C                         |
| Befestigungsart              | Surface Mount                         |
| Spannung - Eingang           | Up to 13V                             |
| Verpackung / Gehäuse         | TO-261-4, TO-261AA                    |
| Supplier Device-Gehäuse      | SOT-223                               |
| Spannung - Ausgabe           | 3.3V                                  |
| Strom - Ausgabe              | 800mA                                 |
| Reglertopologie              | Positive Fixed                        |
| Spannung - Aussetz (typisch) | 0.4V @ 800mA                          |
| Anzahl der Regler            | 1                                     |
| Strom - Grenze (min)         | -                                     |
| Verpackung                   | Original-Reel®                        |

LD29080S33R ist neu im Original, Suche LD29080S33R Datenblätter, PDF, Inventar bei Y-IC.com Online, Bestellen Sie LD29080S33R STMicroelectronics mit Garantie und Vertrauen.
