|----------------------------------------|-------------------------------------------------------|
| Teilenummer                            | LT6105CMS8#PBF                                        |
| Hersteller                             | Linear Technology / Analog Devices                    |
| Beschreibung                           | IC OPAMP CURR SENSE 100KHZ 8MSOP                      |
| Kategorie                              | Integrierte Schaltungen (ICs) > Linear - Verstärker - |
| Teilstatus                             | 12071 pcs Stock                                       |
| Spannungsversorgung, Single / Dual (±) | 2.85 V ~ 36 V, ±1.425 V ~ 18 V                        |
| Spannung - Eingangs-Offset             | 100µV                                                 |
| Supplier Device-Gehäuse                | 8-MSOP                                                |
| Slew Rate                              | 2 V/µs                                                |
| Serie                                  | -                                                     |
| Verpackung                             | Tube                                                  |
| Verpackung / Gehäuse                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                |
| Ausgabotyp                             | -                                                     |
| Betriebstemperatur                     | 0°C ~ 70°C                                            |
| Zahl der Schaltkreise                  | 1                                                     |
| Befestigungsart                        | Surface Mount                                         |
| Strom - Versorgung                     | 240µA                                                 |
| Strom - Ausgang / Kanal                | 1mA                                                   |
| Verstärkertyp                          | Current Sense                                         |
| -3db Bandbreite                        | 100kHz                                                |

LT6105CMS8#PBF Electronic Components ist ein 100% neues Original von YIC Distributor, LT6105CMS8#PBF-Datenblätter durchsuchen, PDF, Inventar bei Y-IC.com Online, LT6105CMS8#PBF Linear Technology / Analog Devices mit Garantie und Vertrauen bestellen. Versand per DHL / FedEx / TNT / UPS Express. Unterstützung der Zahlung mit telegrafischer Überweisung (T / T) oder PayPal.
