|------------------------------|-------------------------------------------------------|
| Teilenummer                  | MCP1825ST-0802E/DB                                    |
| Hersteller                   | Micrel / Microchip Technology                         |
| Beschreibung                 | IC REG LDO 0.8V 0.5A SOT223-3                         |
| Kategorie                    | Integrierte Schaltungen (ICs) > PMIC-Spannungsregler- |
| Teilstatus                   | Require For Quote & Check Stock                       |
| Spannung - Ausgabe           | 0.8V                                                  |
| Spannung - Eingang           | 2.1 V ~ 6 V                                           |
| Spannung - Aussetz (typisch) | 0.21V @ 500mA                                         |
| Supplier Device-Gehäuse      | SOT-223-3                                             |
| Serie                        | -                                                     |
| Reglertopologie              | Positive Fixed                                        |
| Verpackung                   | Tape & Reel (TR)                                      |
| Verpackung / Gehäuse         | TO-261-4, TO-261AA                                    |
| Betriebstemperatur           | -40°C ~ 125°C                                         |
| Anzahl der Regler            | 1                                                     |
| Befestigungsart              | Surface Mount                                         |
| Strom - Ausgabe              | 500mA                                                 |
| Strom - Grenze (min)         | -                                                     |

MCP1825ST-0802E/DB Electronic Components ist ein 100% neues Original von YIC Distributor, MCP1825ST-0802E/DB-Datenblätter durchsuchen, PDF, Inventar bei Y-IC.com Online, MCP1825ST-0802E/DB Micrel / Microchip Technology mit Garantie und Vertrauen bestellen. Versand per DHL / FedEx / TNT / UPS Express. Unterstützung der Zahlung mit telegrafischer Überweisung (T / T) oder PayPal.
