### Spezifikationen

|                         |                                          |
|-------------------------|------------------------------------------|
| Teilenummer             | MTQ-C2-B01-N16-SP                        |
| Hersteller              | Multi-Tech Systems, Inc.                 |
| Beschreibung            | 1XRTT EMBEDDED CELLULAR SOM (AER)        |
| Kategorie               | RF / IF und RFID > RF Transceiver Module |
| Teilstatus              | Require For Quote & Check Stock          |
| Spannungsversorgung     | 5V                                       |
| Serie                   | MultiConnect® Dragonfly™                 |
| Serielle Schnittstellen | I²C, SPI, UART, USB                      |
| Empfindlichkeit         | -                                        |
| RF Familie / Standard   | Cellular                                 |
| Protokoll               | CDMA                                     |
| Leistung                | -                                        |
| Verpackung              | Bulk                                     |
| Verpackung / Gehäuse    | Module                                   |
| Betriebstemperatur      | -40°C ~ 85°C                             |
| Befestigungsart         | Chassis Mount                            |
| Modulation              | -                                        |
| Speichergröße           | 512kB Flash, 96kB SRAM                   |
| Frequenz                | 800MHz, 1.9GHz                           |
| Datenrate               | -                                        |
| Strom - empfangen       | 53mA                                     |
| Antennentyp             | Not Included, U.FL                       |

MTQ-C2-B01-N16-SP Electronic Components ist ein 100% neues Original von YIC Distributor, MTQ-C2-B01-N16-SP-Datenblätter durchsuchen, PDF, Inventar bei Y-IC.com Online, MTQ-C2-B01-N16-SP Multi-Tech Systems, Inc. mit Garantie und Vertrauen bestellen. Versand per DHL / FedEx / TNT / UPS Express. Unterstützung der Zahlung mit telegrafischer Überweisung (T / T) oder PayPal.
