|-----------------------------------|---------------------------------------------------------|
| Teilenummer                       | STR712FR0T6                                             |
| Hersteller                        | STMicroelectronics                                      |
| Beschreibung                      | IC MCU 32BIT 64KB FLASH 64LQFP                          |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet -           |
| Teilstatus                        | 158 pcs Stock                                           |
| Spannung - Versorgung (Vcc / Vdd) | 3 V ~ 3.6 V                                             |
| Geschwindigkeit                   | 66MHz                                                   |
| Serie                             | STR7                                                    |
| RAM-Größe                         | 16K x 8                                                 |
| Programmspeichertyp               | FLASH                                                   |
| Programmspeichergöße              | 64KB (64K x 8 + 16K)                                    |
| Peripherals                       | PWM, WDT                                                |
| Verpackung                        | Tray                                                    |
| Verpackung / Gehäuse              | 64-LQFP                                                 |
| Oszillatortyp                     | Internal                                                |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                                       |
| Anzahl der E / A                  | 32                                                      |
| EEPROM Größe                      | -                                                       |
| Datenwandler                      | A/D 4x12b                                               |
| Kerngröße                         | 32-Bit                                                  |
| Core-Prozessor                    | ARM7®                                                   |
| Connectivity                      | CAN, HDLC, I <sup>2</sup> C, SmartCard, SPI, UART/USART |

STR712FR0T6 Electronic Components ist ein 100% neues Original von YIC Distributor, STR712FR0T6-Datenblätter durchsuchen, PDF, Inventar bei Y-IC.com Online, STR712FR0T6 STMicroelectronics mit Garantie und Vertrauen bestellen. Versand per DHL / FedEx / TNT / UPS Express. Unterstützung der Zahlung mit telegrafischer Überweisung (T / T) oder PayPal. RFQ STR712FR0T6 E-Mail: Info@Y-IC.com
