| Beschreibung                      | IC MCU 16BIT 256KB FLASH 80QFP                                   |
| Kategorie                         | <a href="#">Integrierte Schaltungen (ICs) &gt; Eingebettet -</a> |
| Teilstatus                        | <a href="#">Require For Quote &amp; Check Stock</a>              |
| Spannung - Versorgung (Vcc / Vdd) | 1.72 V ~ 5.5 V                                                   |
| Supplier Device-Gehäuse           | 80-QFP (14x14)                                                   |
| Geschwindigkeit                   | 50MHz                                                            |
| Serie                             | HCS12X                                                           |
| RAM-Größe                         | 16K x 8                                                          |
| Programmspeichertyp               | FLASH                                                            |
| Programmspeichergöße              | 256KB (256K x 8)                                                 |
| Peripherals                       | LVD, POR, PWM, WDT                                               |
| Verpackung                        | Tape & Reel (TR)                                                 |
| Verpackung / Gehäuse              | 80-BQFP                                                          |
| Oszillatortyp                     | External                                                         |
| Betriebstemperatur                | -40°C ~ 125°C (TA)                                               |
| Anzahl der E / A                  | 59                                                               |
| EEPROM Größe                      | 4K x 8                                                           |
| Datenwandler                      | A/D 12x12b                                                       |
| Kerngröße                         | 16-Bit                                                           |
| Core-Prozessor                    | HCS12X                                                           |
| Connectivity                      | CAN, EBI/EMI, I <sup>2</sup> C, IrDA, SCI, SPI                   |

S912XET256BMAAR Electronic Components ist ein 100% neues Original von YIC Distributor, S912XET256BMAAR-Datenblätter durchsuchen, PDF, Inventar bei Y-IC.com Online, S912XET256BMAAR NXP Semiconductors / Freescale mit Garantie und Vertrauen bestellen. Versand per DHL / FedEx / TNT / UPS Express. Unterstützung der Zahlung mit telegrafischer Überweisung (T / T) oder PayPal.
